

TRADEE TROWELS ~ TOL34A/TOL40A

Our new 34" & 40" Walk Behind Trowel Machines were designed in Australia for the Australian and Oceania construction markets.

The Hoppt Aussie-designed Tradee trowel machines incorporate amazing balance, improved serviceability, engineered gear boxes and cast iron spiders for professional performance and durability.

Incorporating built in tool and water bottle holder the Hoppt Tradee Trowel provides contractors the ideal machine for residential and general construction work.
